

## HELP US TO HELP YOU!

Dear Exhibitor,

I would like to start by saying a huge THANK YOU to all those exhibitors who attended both of our shows this/last year.

Thank you also for, following my letters in the schedules, letting me know that some breed entries might be affected by us clashing with a breed show, champ show or AGM and asking that those breeds not be removed from the schedule.

Having listened to you - yes we really do! - we took a chance and put on 2 classes for those breeds who were previously only scheduled with one. In some cases it paid off but not in all. As I told you in my other letters, the Kennel Club demand that we average 4 per class or we could lose a show so please, don't shoot the messenger, we really do have our hands tied, PLEASE do not let us down. I also said that if your breed is not scheduled but you contact me and guarantee an entry of at least 8, I will get you 2 classes put on. If your entry exceeds 12 then I will get you 3 classes for the next show. Alternatively, if your breed is not scheduled then enter in AVNSC. I promise I will monitor these entries and, if there is enough of a particular breed, I will get them scheduled. By the same token if a breed is consistently poorly attended we will be forced to take them off, see above.

Can you help me out here? I am confused (it does not take a lot!). On the one hand people tell me "If you put on breed specialist judges you would get a better entry" and on the other I get told "Oh we don't like breed specialists because they are too facey". Which is it? This letter is so that I can do my best to help you but, you need to help me! Please send me your breeds judging list or get your breed secretary to send it. Recommend judges. Badger other exhibitors in your breed to enter. If you go to ringcraft classes, pick up a wad of schedules and take them along.

Our charity this year will be Sussex Air Ambulance, something I hope none of us will ever need. I hope you will all enter the Charity Classes and, if possible, come along to our Companion Show (usually held beside the Robin Building) as we want to raise as much money as possible.

Our February show was cold but thankfully not wet. You will be thrilled to know that my Mother's broomstick is fully charged, and so is she so, she will be zipping about up there making sure the sun shines for our August show. You can put away your anti-rust treatment and break out the suntan lotion! Kind regards,

Corrine Towler, Hon. Secretary. For and on behalf of Horley & DSS

Finally, thank you so much for all the lovely cards, letters and e-mails we get following our shows, especially after our August show when so many of you wrote to praise how we coped with the weather. I also received a letter from someone on another committee who said they thought my letter in the schedule was brilliant and would I mind if they pinched my idea! So, if we are not getting it right let me know but, better still, if we are getting it right PLEASE, drop me a line or e-mail me and let me know, it means a lot.

*Thank you all*
